### Linz - the city on the Danube

"Linz changes": this is the slogan of Linz, the city on the Danube , in which there is much to discover. On both sides of the Danube extends the capital of Upper Austria. It owes its unique appeal to the successful combination of old and modern.

Linz was not only in 2009, European Capital of Culture, but has evolved from the gray industrial city to a radiant and economically successful cultural metropolis. A modern city full of vitality and high quality of life awaits its visitors.

You start from the international airport Linz Hörsching.
